

PITTWATER PROBUS
GOLF & SOCIAL TRIP
SOUTHERN HIGHLANDS

26-28 MARCH 2018

We are taking advantage of a special offer available thru an Organisation called Crazy Golf Deals. The Deal is for two nights with breakfast at Peppers Craigieburn, plus golf at Bowral Golf Club and Highlands Golf Club, Mittagong.

Other benefits include a \$50 voucher towards Dinner for two in the Craigieburn Restaurant, a drink on arrival, a golf cart at Highlands and drinks at Bowral, plus a tasting board of cheese and wine. Ad lib golf on the Craigieburn Golf Course is also included.

The Cost is \$398 per couple (full price for all of this would be \$820), a saving of over 50%.

Extras will be a cart at Bowral if you want one, dinner each night and drinks.

Golf is open to everybody who goes or you are very welcome to come along and not play golf at all (as a couple did last time we ran this event). There is no discount if you do not play golf.

If you would like to attend can you please let Bill Sherman know at the February Club Meeting. He will need a cheque for the \$398, payable to Pittwater Probus plus the form below with your booking. If you will not be at the meeting send the booking form and cheque to PO Box 700, Mona Vale 2103 by February 13.

The Plan..

is to drive down to Bowral on the morning of 26 March, book in to the Hotel and, for those that wish to do so, head for Bowral Golf Club for 9 holes of Golf (we are booked in at 3pm)

We would all then meet for Drinks and Dinner back at Craigieburn.

Next morning we are booked into the Highlands Golf Course at 9.30 for 18 holes, while the non golfers enjoy the sights and shops of the Southern Highlands. We can all meet for a late lunch at the Golf Club. Dinner will be in Mittagong at a restaurant to be decided. There are a number of good options, varying in price and style that be can agreed between all that are going on the trip.

On Wednesday morning, after breakfast, you can either head for home, spend more time around Bowral or play a few holes at Craigieburn. For the tourists , there is a railway museum at Thirlmere (the government has spent a lot of our money there recently) that is worth seeing, or perhaps the Illawarrafly (sky walk) for the more energetic.

There is one minor problem and that is that the dates for this trip are past the deadline currently being offered by Crazy Golf. They assure us that the dates will be extended but should that not be the case we would just pull the plug and start planning again. However, they are adamant that there will not be a problem and we need this lead time to make sure of vacancies so it is worth the risk.
